@arjunsethi81

Hundreds of children in Kashmir have been picked up in midnight raids without a warrant. Now their parents wait in anguish. "Terrified that the army would deny, the state would condone and their child will be dumped in one of the mass graves."

For Kashmir, 'Normalcy' is a Word That Needs to be Abrogated

Lies have been spoken unabashedly, so what indeed is 'normal' in this land?

Ilhan Omar

@IlhanMN

We should be calling for an immediate restoration of communication; respect for human rights, democratic norms, and religious freedom; and de-escalation in Kashmir. International organizations should be allowed to fully document what is happening on the ground.
