Serious Health Crisis in [#Kashmir](#) - “If patients don’t receive dialysis, they will die. If cancer patients don’t receive chemotherapy, they will die. Those patients who can’t be operated on can die”

Kashmir doctor speaks up, whisked away

Omar Salim, a urologist at the Government Medical College, held a placard that said he was making a 'request and not a protest'

Arjun Sethi@arjunsethi81

India wants to cover up its atrocities in Kashmir through a dark cloud of fake news & censorship. Social media is thus very important. So why is Twitter deleting tweets from Kashmiri activists & suspending their accounts? Important from [@cjwerleman](#)

Kavita Krishnan

@kavita_krishnan

US Congresswoman [@IlhanMN](#) has spoken up for Kashmiri people. Aggression by Modi regime is only drawing more international support for caged Kashmir. Many are trolling Ilhan Omar saying all's well in Kashmir. Our team was the first to visit: we documented that all's hell.

21:39 - 27 Aug. 2019

Ilhan Omar

@IlhanMN

We should be calling for an immediate restoration of communication; respect for human rights, democratic norms, and religious freedom; and de-escalation in Kashmir. International organizations should be allowed to fully document what is happening on the ground.
